

REMARKS

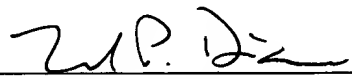

Claims 87-107 are pending in the application, of which Claims 87, 93 and 99 are independent and have been amended to make clear that the first and the second process tables both correspond to the print mode. Favorable reconsideration is respectfully requested.

In the outstanding Office Action, Claims 87-107 were rejected solely under 35 U.S.C. § 112, second paragraph, as being indefinite, on the ground that the claims do not make clear whether both process tables, or only the second, corresponds to the print mode. Since as shown above the independent claims now do make clear that both tables correspond to the print mode, the claims are believed all to be in condition for allowance.

In view of the foregoing amendments and remarks, Applicants respectfully request favorable reconsideration and allowance of the present application.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
